

Town of Walkill

99 Tower Drive - Building A • Middletown, New York 10941-2026

November 1, 2006

To Whom It May Concern:

Due to unforeseen moving and medical circumstances, the municipal searches processed by the Building Dept. will take approximately four weeks to process after receipt of payment.

As soon as the search has been finalized, it will be faxed and mailed.

Calling the office before this four week time allotment will only further delay the process.

Thank you in advance for your cooperation.

Sincerely,

Delores Valverde
Building Dept. Account Clerk
